We're swimming in the river
On a summer's day
All the little children
Coming out to play

Here's Horace the Hippo
Hungry as can be
Swim swim swim
He can't catch me

Splish, splosh, splash
His mouth is open wide
Snap, snap, snap
He's got my leg inside!

Hungry hungry hippo
His mouth is open wide
Snap, snap, snap
He's got my arm inside!

Hungry hungry hippo
His mouth is open wide
Snap, snap, snap
He's got my head inside!

Inside Horace hippo
I wave my arms and shout
And the hungry hungry hippo
Burps and spits me out!
